---

Saturday, August 1, 2009 - Members from the Howard Williams Composite Squadron and Ellsworth Composite Flight volunteered to help control traffic for the estimated 6,000+ guests at the 2009 Smokey Hill Air National Guard Range Open House

The aerial displays included high & low speed flybys, strafing, bombing, and combat maneuvering from AH-64 Apaches, B-52 Stratofortresses, A-10 Thunderbolts, KC-135 Stratotankers, C-130 Hercules, F-16 Fighting Falcons, B1-B Lancers, UH-60 Blackhawks and an Unmanned Ariel Vehicle (UAV) from Salina's own Flint Hills Solutions.
